

Music
We will be creating our own compositions for 'the sound of the sea'

RE
Questions that puzzle us will give opportunities for pupils to share their own beliefs, ideas and values in simple ways

English
Stories by significant authors
Diary and letter writing
Patterns on the page
poetry
Instructions

Maths
We will develop our reasoning and problem solving skills.
We will be exploring fractions and geometry.

Science
We will be exploring plants, linking this to our ongoing work on seasonal changes.
We will also be looking at living things and their different habitats.

PE
We will be developing our tennis, basketball and cricket skills.
We will have a number of athletic sessions in preparation for our BAWB sports day.

DT
Sensational salads.
We will be designing, making and testing our own salads.

Computing
We will be using technology to present ideas in different ways and learn to save our work.
We will learn about the importance of internet safety.

PSHCE
We will continue to have weekly circle time sessions and look at what makes a good friend and how we can help each other.

Geography
We will develop our map skills, locating different seaside resorts in the UK.
We will look at physical and human features.

History
We will learn about the life of Grace Darling and the significant role she played.
We will also compare how seaside holidays have changed over time.

Art
We will be developing a range of techniques to re-create Nikky Corke's seaside paintings. We will learn to evaluate and improve our work.
