Richmond School are offering Year 5 and 6 pupils and their parents the opportunity to learn about a piece of software that has had a positive impact on current Richmond School students.

Parents and students are invited to attend a hands-on workshop to find out how Read&Write can be used at school and at home.

Used daily by millions of students worldwide, Read&Write is an award-winning literacy toolbar that helps each member of the class realise their full potential.

Great for all subjects and lesson plans, Read&Write offers support with everyday tasks like reading text out loud, understanding unfamiliar words, researching assignments and proofing written work.

Places are limited—please registered your place.
