

Dear parents and friends,

This week has seen the arrival of the Key Stage 2 SATs results and we are really proud of our children. If anyone has any questions about these, please do feel free to get in touch.

Competition!

Mr Billingham writes: *'I would like to invite everyone to take part in a competition. You are to make a creation which is related to our topic of Seaside Rescue. It could be a piece of artwork, junk modelling, creative writing...anything you want! The deadline for these entries is Thursday 20th July and there will be 2 categories: Child made and adult made. You can send your entries to school from Monday 17th July, but please make sure we have them by 9am on Thursday 20th July in order for them to be judged. Happy creating!'*

Recruitment – class one at West Burton

Unfortunately we were unable to appoint a teacher on Tuesday for class one at West Burton to start in September. I am currently exploring our options and will let you know as soon as possible when I have a teacher secured. Thanks for your patience.

Mrs Johnston...

...is delighted to be coming back to school in September (you may see here around over the next couple of weeks). She will be sharing class one with Mrs Loughlin and they are very much looking forward to working together. Mrs Johnston will also return to teaching a half day a West Burton.

Nursery Reports

The children in nursery will not receive a report in the same format as the reception children and will instead receive a complete profile of the learning which has taken place since they started. We would welcome your feedback in the normal way (a feedback form will be attached to the profile when it comes home next week).

Reports...

...are almost all complete and will be coming home with children next Wednesday. If you wish to make an appointment with your child's class teacher to discuss your child's progress, please contact school directly. Thank you.

School Offices

All of our offices are staffed each morning, until at least 12 noon. If you do need to contact school, it would be helpful if you could do so between 8:30 am and noon. During the afternoon for non-urgent communications, please either leave a message on the answer phone or send us an email. Of course, if your message is urgent, please don't hesitate to contact school by telephone.

After School Clubs

There will be no after school clubs during the last week of term (w/c 17th July) and clubs will restart **the second week back in September** (w/c 11th September).

Cooking club will not be re-starting in September but we would like to take this opportunity to thank Gillian for all her hard work with the club – the children have produced some delicious food!

BAWB Sports Day – Thursday – PE kit please

As we will be having a full day of PE next Thursday at Askrigg, please send your child to school in their BAWB PE kit. Please make sure they have outer clothing suitable for the weather

and suncream, sunhats and waterproofs as appropriate! Please remember that you are warmly invited to come and cheer the children in the traditional races during the afternoon and may bring a packed lunch to eat with your children if you wish.

KS2 Cluster Sports – Wensleydale School – Friday 14th July

A reminder that this event starts at 1pm and entails a late return to school. Please complete the slip that was sent home last week to indicate where you will collect your child.

Y5 Secondary School Place – Important!

A letter from NYCC will be sent home with Y5 children today, which contains information on how to apply for secondary school place to start in September 2018. The deadline for applications is **31 October 2017**.

BAWB Trip to Saltburn – Wednesday 19 July

A trip to Saltburn has been arranged for all three schools (excluding Nursery) to tie in with this term's Seaside theme. We will be spending time at the RNLI Museum in Redcar as well as time on the beach in Saltburn. Let us hope for a dry and sunny day! Please see the letter that is coming home with the children today. Please send your reply slips back to school as soon as possible.

Parent Forum Minutes...

...are attached, plus my response in the usual format.

Parent Survey

Thank you to those of you who have completed the online survey. A reminder is being sent today via text and email and if you have a spare 5 minutes to complete it we would be most grateful. Your views are important to us. Thank you.

And Finally ... Summer Fair – TONIGHT – from 5:30pm

Please remember the Summer Fair is tonight at Askrigg School from 5:30pm. As well as the various games and stalls there will be a water slide so a towel and change of clothes would be advisable!

From the Log Books

School log books are held in our schools and they are a marvellous record of social, and educational, history. We will reproduce extracts in this section. This week's is from Bainbridge's log book.

July 1st – The children had holiday this afternoon as most of them were going to a fair at Askrigg. The registers have been closed at 1.40pm every afternoon this week and the children have had Scripture from 3.40pm to 4.00pm. The Revd C Whaley has given Scripture lessons to the first class.

The attendance is poor this week, the average 39.2. Many of the children are still bad with the whooping cough.

West Burton's Newsflash

On Wednesday all the Year 6's went to Light Water Valley to go to the Tree Top Nets. We got in and registered. They set us up with an activity/treasure hunt, (we were the first ever to do this letter hunt). We had to find 7 letters - one was fake, the word was cookie so the man gave us all a tasty cookie.

On Thursday all of Year 6 went to Miss Harper's office to get our SATS results. We were all happy with our results.

HAVE A GREAT WEEKEND!!!!

By Luke Dent and Ryan Hewitson-Wheeler

EYFS

We've been enjoying fish and chips over the last few weeks in class 1 but the children decided it was time for a change and have created their very own ice-cream parlour! The children have been making exciting menus with lots of different flavours and of course all the extras such as sprinkles and chocolate flakes. Come along and see what they can make for you, you'll be amazed at the ice-cream combinations.

In numeracy the reception children have been working on their number bonds to 10 and are very quick to find the different combinations. We've also been very impressed with our younger children's ability to order numbers to 10 and even point out one more than a given number.

Our story this week has been Hairy Maclary and we've had great fun finding other rhyming words to add to the plot and write our own funny sentences. Hopefully we'll have as much fun next week with 'Pass The Jam Jim'!

Finally, a great big thank you to Reese and Eliza who have been working with us over the last two weeks, you've been a great help.

Askrigg's Junior Reporters' Column...

Treetopnets

On Wednesday 5th, all the Year 6's from all three schools went to Tree Top Nets near Lightwater Valley. The Year 6's took part in a treasure hunt and made a record of the fastest and slowest time because they were the first people to do it! They all got a certificate for taking part in the treasure hunt and achieving a new record.

They said that it felt very weird and it was fun when Miss Collins and Mrs. Fawcett came on the nets. They also said that the nets were like trampolines and they also liked the ball pit.

"I liked everything," said Riley.

Chloe said, "I really liked being on the nets because they were bouncy and I liked throwing the yoga balls at each other."

Miss Collins said, "I really enjoyed trying to knock over all of the year 6s with the yoga balls."

Dan Short, from Tree Top Nets, sent us an email afterwards.

He said: "Just wanted to say once again what a lovely bunch of kids we had at Treetop Nets today. Every one of them did BAWB Schools proud."

He sent us a photo too!
