HORRIBLE HISTORIES, GROOVY GREEKS 14-16 JUNE, 10.30am or 1.30pm:

LC has put forward to Miss Harper that the PTFA would be interested in contributing to the Askrigg and Bainbridge children costs if she wanted to take the children with it being in the current theme and of educational interest.

It would be £8 per head (normally £11-14). We estimated the cost to be around £1300 (£600 buses £700 tickets).

KA will discuss further with Miss Harper.

Mrs Johnston has enquired about some child friendly knives and scales for cooking at Bainbridge school. Gillian Alderson would also like a cooking kit for cooking club so they have enough equipment for each child.

KA mentioned there may be some catering equipment in the office and will check.

Mrs Johnston and GA to get some prices.

Miss Collins would like to create an outdoor science area. Awaiting more information and prices.
